Welcome to Mystic Notch, a small town with a big secret. A place where the veil between the living and the dead is thin. Where ghosts and spirits walk among us, unseen by most. But not by everyone.

Emma Fielding is a young woman with a unique gift. She can see and communicate with ghosts. A gift that has always been a burden, until she moved to Mystic Notch. Here, she has found a sense of belonging and purpose. She has also found love, in the form of Jake, the town sheriff.

But their happiness is short-lived. When a local woman is found dead, Emma and Jake are thrust into a dangerous investigation. The victim was a member of a secret society that has been practicing dark magic. And it

soon becomes clear that Emma is the only one who can stop the killer before they strike again.

As Emma delves deeper into the case, she uncovers a web of secrets and lies. She learns that the victim was not who she seemed, and that her death was part of a much larger plan. A plan that could have devastating consequences for Mystic Notch.

With the help of her ghostly friends, Emma must race against time to stop the killer. But can she do it before they become the next victim?
