The program is divided into four modules, each of which focuses on a different financial literacy topic. The modules are:

- **Module 1:** What is money?
- **Module 2:** How do I earn money?
- **Module 3:** How do I spend money?
- **Module 4:** How do I save money?

Each module includes a variety of activities, games, and videos that help children learn about financial literacy. The activities are designed to be fun and engaging, and they help children learn about financial literacy in a way that is easy to understand.

The program also includes a parent guide that provides parents with tips on how to talk to their children about financial literacy. The guide includes information on how to answer children's questions about money, how to teach children about budgeting and saving, and how to help children make good financial decisions.
