In 1928, an illustrated edition of *This Side of Paradise* was published, featuring over 100 illustrations by artist Francis Cugat. Cugat's illustrations bring the roaring twenties to life, and they provide a unique visual interpretation of Fitzgerald's novel.

The Artwork

Cugat's illustrations for *This Side of Paradise* are a mix of Art Deco and realism. The Art Deco style is characterized by its geometric shapes and

bold colors, and it was popular in the 1920s. Cugat uses the Art Deco style to depict the glamour and excitement of the roaring twenties.

The realism in Cugat's illustrations is evident in his attention to detail. He carefully depicts the clothing, hairstyles, and architecture of the period. This attention to detail helps to create a sense of authenticity and immersion for the reader.

Cugat's illustrations are not merely decorative. They also serve to enhance the reader's understanding of the novel. For example, Cugat's illustrations of Amory Blaine show him as a young man who is both idealistic and vulnerable. These illustrations help to convey the complex and contradictory nature of Amory's character.

The Story

This Side of Paradise tells the story of Amory Blaine, a young man from a wealthy family who struggles to find his place in the world. Amory is intelligent and ambitious, but he is also restless and disillusioned. He moves from one college to another, and he tries out different jobs, but he never seems to find his true calling.

Amory's journey is a reflection of the disillusionment that many young people felt after World War I. The war had destroyed the old order, and young people were left to create a new one. Amory's search for meaning and purpose is a common theme in literature of the 1920s.
